DD/R # 374-62

MEMORANDUM FOR: Executive Director

SUBJECT: Requirements Guide for National Censorship

**REFERENCE: Memorandum from Executive Director to
DD/R dated 28 June 1962, same subject**

Several members of this office have examined the attached Requirements Guide for National Censorship to determine whether the DD/R has a useful contribution to make in refining the Guide. We conclude that since the DD/R is not essentially a consumer of intelligence, and since the "Confidential" classification is quite constraining, we are not able to add to what has already been done.
